Re: PST & MRDT Changes

Dear Tourism Whistler Member:

A reminder that changes to how PST and MRDT is collected on all accommodation sold in British Columbia comes into effect on **October 1, 2018**.

The official bulletin with all the details issued by the Province of BC is available here:

<https://www2.gov.bc.ca/assets/gov/taxes/sales-taxes/publications/pst-120-accommodation.pdf>

At a high level, the changes mean that some accommodation sellers who used to be exempt from collecting PST and MRDT will no longer be exempt.

Please be sure to familiarize yourself with the new legislation and if you have any questions, we recommend you connect with an accountant to better understand how these changes may impact your business.

Sincerely,
