SPRING, SUMMER & FALL INCENTIVE ITINERARY

Innovation is in the air and our fresh environment has the power to inspire and invigorate. Bring your group to experience Whistler's spectacular natural surroundings, world-class amenities and authentic culture—a combination that you won't find just anywhere.

DAY 1

LAND IN BEAUTIFUL BRITISH COLUMBIA

With great facilities, amazing art displays and calming water fountains, it's no surprise that Vancouver International Airport (YVR) was named the Best Airport in North America. With multiple daily arrivals from all over the US, Canada and internationally, it's also a breeze to access. Arrive refreshed for your first glimpse of Vancouver.

EXPERIENCE THE SEA-TO-SKY JOURNEY

Getting to Whistler is so much more than a road trip: it's a two-hour, jaw-dropping scenic experience described by National Geographic as the "Drive of a Lifetime". Transport options include coach transfer, rental cars or private limo service to whisk your group past snowcapped peaks, ocean fjords, waterfalls and forests. You may even spot some of our local wildlife.

MAKE YOURSELF AT HOME

Take your time exploring pedestrian-friendly Whistler Village; a kaleidoscope of art, culture, unique stores and fresh food. Whistler Olympic Plaza, located in the centre of our alpine village, boasts state-of-the-art technology and marvellous views of the surrounding mountains. A great place to launch a meeting, host a team-building activity or entertain on the dedicated performance stage.

DINE IN STYLE

Whistler's dining scene is one of the best in North America. Our renowned restaurants, wine bars and cellars accommodate groups of any size and feature award-winning wines and spirits from around the region. Whistler also boasts the only vodka tasting ice room in North America—the coldest bar on Earth.

DAY 2

PERFECT YOUR SWING

Our four championship-designed courses make Whistler a golfer's paradise. But don't just take our word for it: *Golf Digest* rated Whistler as Canada's #1 Golf Destination. Our courses are a great setting for fun, outdoor group events and our clubhouses provide a relaxing place for your team to celebrate and unwind.

DISCOVER THE PEAK 2 PEAK EXPERIENCE

The record-breaking PEAK 2 PEAK Gondola is a must-do in Whistler. This breathtaking ride linking Blackcomb and Whistler Mountains is the longest and highest unsupported span on the planet! *Business Insider* includes this journey in their collection of 100 trips to take in your lifetime. Discover why then enjoy the 50 km of hiking trails which offer a 360-degree, bird's eye view of the Coast Mountains.

DINE ON TOP OF THE WORLD

The Roundhouse Lodge is located at 6,000 ft on Whistler Mountain and is the perfect viewing platform for group programs. From a casual BBQ to a glamorous gala event, this inspiring venue has all the ingredients for a perfect alpine dining experience.

DAY 3

NETWORK WITH NATURE

Rise and shine to experience the wildlife, glaciers and coastal rainforests of Whistler and Blackcomb Mountains. Relax in the comfort of a safari-style 4WD as you look out for some of the 60 resident black bears. Then wander through pristine alpine meadows and old growth forests. Whistler Blackcomb is habitat to many creatures and sightings are regular.

PICNIC ON A GLACIER

Hop into a helicopter to take a once-in-a-lifetime journey into the Coast Mountains. You'll step out into wild British Columbia, one of the most glaciated regions in the world. Enjoy a gourmet lunch as your group takes in this remote and unforgettable location.

A TASTE OF CULTURE

The Squamish Lil'wat Cultural Centre shares the traditions of the Squamish and Lil'wat First Nations with a modern interpretation. It's also a unique venue for corporate galas and other memorable events. Alternatively, discover the Audain Art Museum which houses one of the most unique collections of British Columbian art, right in the heart of Whistler Village.

DAY 4

SOAR LIKE AN EAGLE

One of North America's top ziplining experiences is found right here in North America's number one resort. Host a platform canapé party, then zip over the glacial rapids of Fitzsimmons Creek through the majestic old-growth forest with gourmet stops at each station. It's a terrific way to pair team building with an appetite for fun.

PADDLE WHISTLER'S WATERWAYS

Float your way down Whistler's famous River of Golden Dreams. Flanked by lush wetlands and wildflower-lined banks, this gentle journey by canoe or kayak is a fantastic opportunity for team building and relaxation.

CELEBRATE UNDER THE STARS

Our secluded lakeside parks offer enchanting locations for special events. Plan a black tie gala dinner, with a concert stage, and fireworks launched from the heart of a glacier-fed lake. Or keep things indoors with the beautifully decorated ballrooms of the Whistler Conference Centre.

DAY 5

FLOAT...IN A PLANE

See a unique perspective of Whistler and coastal British Columbia by floatplane. Just 45 minutes after taking off from one of Whistler's glacier fed lakes your group will land softly in Downtown Vancouver.

URBAN EXPLORATION

From mountain wildlife to city nightlife, a stop in Vancouver is the perfect end to your group's itinerary. Sample authentic Asian cuisine in Chinatown, wander the cosmopolitan shops on Robson Street or relax on the patio at a funky Yaletown cocktail bar, and find out why Vancouver is considered one of the world's most livable cities.
