### Pedestrian Village

Once your group arrives in Whistler transportation logistics are a thing of the past. Your group will appreciate the convenience of Whistler's campus like setting. With the Conference Centre, restaurants, off-site venues and activities all a short walk from their hotel rooms. Networking has never been easier!

### Journey of a Life Time

Experience the journey to Whistler anyway you please, hop on a sea plane, hire a car, take a coach or opt for a private transfer. Either way, your group is in for a treat! Let your group see for themselves why the Sea to Sky Highway was voted one of the top-ten most scenic drive in the world by National Geographic.
