

WHISTLER COMMUNITY VOLUNTEER & DONATIONS OPTIONS

One way that companies can give back is to incorporate charitable activities into their meetings or incentives. The Whistler Conference Centre can help meeting planner's resource and identify projects that tie together the message you want to get across to your attendees.

Activities suggested below can unite a company's business goals and environmental objectives whilst enhancing a meeting agenda by getting participants working together. Delegates feel good about leaving a legacy and giving back to the Sea to Sky Community.

In Whistler there are numerous opportunities to help with meaningful community projects, at the same time allowing attendees a chance to explore our beautiful area and participate in a teambuilding opportunity. It's a bonding experience—giving back and creating a lasting memory with your friends and co-workers.

HERE IS A SMALL LIST OF ACTIVITIES IN WHISTLER

- Try a sit ski, and learn about diversity with Whistler Adaptive Sports
- Gain awareness and understanding of Whistler's First Nation's people
- Clear invasive plant species
- Dog walking with Whistler Animals Galore (WAG), an animal rescue service
- Work with sled dogs to help the promotion of positive attitudes among people for the welfare and humane treatment of sled dogs and other animals with the Whistler Sled Dog Foundation.
- Build and maintain the hiking trails
- Experience first-hand the amazing abilities of avalanche rescue dogs.

For a full list of organizations & events –see the Resort Municipality of Whistler website volunteer section:

FOOD & BEVERAGE DONATION

Unfortunately due to health and safety regulations around food service, the Whistler Conference Centre is restricted in its efforts to donate left-over food from conferences. Thankfully, our kitchen team ensures any over-production is used to feed our staff and if there is food it is composted and diverted from the landfill. If the conference has left-over packaged food and beverage, this can be donated to the Whistler Community Services Society Food Bank.
