WHISTLER EVENTS: TRULY INSPIRING

Meetings are about the synergy of your best and brightest, together, under one roof. The centrally located Whistler Conference Centre is the signature group venue in Whistler, BC. Our seasoned team can wire a general session for 1,500, drive a car into the ballroom, or tent and cater a gala dinner to deliver a mountain of inspiration. With over 40,000 square feet of versatile meeting space, set against a coastal mountain backdrop, we've got all that it takes to guarantee a great gathering.

#1 MOUNTAIN RESORT IN NORTH AMERICA

Unique Pedestrian Village: Whistler's key attractions and accommodation are all within walking distance from the Conference Centre, making it easy to stretch your legs, clear your head and take in some fresh air between sessions.

Shopping, Dining and Nightlife: More than 150 restaurants, 200 retail stores and a legendary nightlife and après scene concentrated within walking distance mean there's no shortage of entertainment during down time.

Award-Winning Hotels: Over 5,400 lodging rooms and the only AAA Five-Diamond Resort in Canada make finding the perfect accommodation easy.

Unforgettable Activities: When you're ready to break out of your meetings, Whistler is waiting. Energise your delegates with a few laps in the best mountain bike park in the world. Opt for a morning of golf on one of four championship courses or head up the mountains for a taste of what makes skiing and snowboarding here world-renowned. Stimulate the senses with a hike, treetop adventure or spa break. Invigoration is guaranteed.

WORLD-CLASS FACILITIES

Versatile Ballroom: The largest ballroom in Whistler at over 16,500 sq/ft, with a 900 sq/ft stage and over 100 rigging points, means endless creative opportunities for your event. We're in the business of executing wild and wonderful ideas—we've hoisted cars, hosted circus productions, installed ice-skating rinks and staged rockstar-worthy theatrics.

Grand Foyer and 40 ft. Fireplace: Purpose-designed with events in mind, the Whistler Conference Centre delivers a mood-setting ambience, whether you're hosting a show-stopping gathering in the naturally-lit Grand Foyer or an intimate clustering around the river-rock fireplace.

Scratch Kitchen: Our Executive Chef is dedicated to using locally grown, fresh products and focuses on seasonal cuisine.

Newly Renovated Theatre: Home of the annual Whistler Film Festival, the newly renovated 250-seat Rainbow Theatre boasts raised, built-in staging and the latest in theatre lighting, audio and digital video technology.

The Art of Tech: Advanced fibre optic communication technology worthy of top quality presentations and centre-wide wireless internet keep your people connected and riveted. Webcasting and video conferencing facilities let you expand your reach beyond the resort, broadening the impact of your meeting to inspire even those who couldn't make it in person. And it all comes with in-real-life tech support from our in-house experts, who are always standing by.

LOCAL INSPIRATION

Engaging Local Speakers: Tap into a wellspring of local Olympians, adventurers and entrepreneurs to motivate and inspire your attendees.

Sustainability and Community: Whistler is a leader in environmental practices and is proudly the only destination in Canada with four APEX/ASTM Certifications; Conference Centre, F&B Supplier, A/V Supplier & CVB/Destination. Also a certified member of the Green Meeting Industry Council (GMIC), the Whistler Conference Centre is earth-friendly and part of a community-wide push towards sustainability.

World-Class Destination Management Companies: When you're in need of professional assistance, Whistler's got a roster of creative and customized event planners who know how to bring a great show together.
