CONFERENCE CENTRE

# WHISTLER EVENTS: TRULY INSPIRING

Bring your team together in Whistler and experience an innovative and customizable venue. With \$3.5 million in facility upgrades, the Whistler Conference Centre is the signature group venue in Whistler, BC. The Centre's contemporary aesthetic, infused with West Coast character, compliments Whistler's natural environment. With hotels, restaurants and shops within walking distance, transportation logistics take care of themselves here. And, 40,000 square feet of versatile meeting space gives you and your group room to roam.

## NORTH AMERICA'S PREMIER MOUNTAIN DESTINATION

**Unique Pedestrian Village:** Located at the base of Whistler and Blackcomb mountains, Whistler Village is a pedestrian-friendly hub. You'll find a perfect mix of world-class and homegrown local shops and restaurants, all within walking distance from the Conference Centre.

**Award-Winning Hotels:** Whistler's diverse selection of accommodation, conveniently located in the Village, makes the transition from work to play to rest seamless. Finding the perfect accommodation is easy in Whistler.

## WORLD-CLASS FACILITIES

**State of the Art Lighting:** The Centre's unique architecture and natural features, including the beautiful wooded cathedral ceilings, are highlighted by dimmable LED lights. The large-scale custom copper light fixtures add drama and scale to the Grand Foyer and ballrooms, helping set the perfect ambiance for any event.

### High-Quality Finishes and Furnishings:

You'll feel the West Coast setting of the Whistler Conference Centre in every detail. Original local artwork animates the striking natural beauty of Whistler's natural landscapes. And, premium finishes like the custom maple meeting room doors, complete with RFID locks, cap off the Centre's elevated experience.

**Grand Foyer:** The naturally-lit Grand Foyer is set for hosting a show-stopping gathering. The 40-foot 3-sided wood-burning Rumford rock fireplace and the natural light from the skylights work together to create a relaxed ambiance. This cozy setting is the perfect place to discuss the day's meetings and start planning what trails to explore next.

**Ballroom:** Whistler's largest ballroom lets your ideas, from the wild to wonderful, come alive. Retractable blinds in the Sea to Sky Ballroom allow you to control the natural light during your event, increase your attendees' moods, and help them stay engaged.

You'll find a heightened quality of sound here, with the acoustic panels absorbing any echo in the ballroom. With reduced sound transmission to surrounding rooms, you and your group will avoid any distractions or background noise while digging into your next meeting. We can't promise your attendees won't be dreaming of the surrounding peaks, though.

**Scratch Kitchen:** Here, our Executive Chef focuses on seasonal cuisine, with locally grown, fresh products leading the way.

**Rainbow Theatre:** Home of the annual Whistler Film Festival, the 250-seat Rainbow Theatre boasts raised, built-in staging and the latest in theatre lighting, audio and digital video technology.

## LOCAL INSPIRATION

**Sustainability and Community:** Whistler is a leader in environmental practices and was proudly Canada's first destination to be awarded four APEX/ASTM certifications; Conference Centre, F&B Supplier, A/V Supplier & CVB/Destination. The Whistler Conference Centre is earth-friendly and part of a community-wide push towards sustainability.
