DAY 1

WELCOME TO BRITISH COLUMBIA

Vancouver International Airport (YVR), animated by its unique British Columbian architecture and Pacific Northwest art displays, has been named North America's Best Airport for the 11th year in a row. Flights to Vancouver are available from major cities worldwide, so it's easy to access, too. Here, your adventure begins.

EXPERIENCE THE SEA-TO-SKY

Snow-capped mountains, stunning ocean fjords, waterfalls — that's just the drive to Whistler, described by National Geographic as the "Drive of a Lifetime." You and your group will experience the awe-inspiring beauty of the Sea to Sky Highway on your two-hour drive from Vancouver.

MAKE YOURSELF AT HOME

Whistler Village is a pedestrian-friendly hub. Take a stroll through the Village, with its perfect mix of world-class and homegrown local shops, or tempt your tastebuds with delicious local fare. Here, you'll find Whistler Olympic Plaza, boasting state-of-the-art technology and views of the surrounding mountains.

DINE IN STYLE

Whistler is a culinary destination. Our renowned restaurants, wine bars and cellars accommodate groups of any size and feature award-winning wine and spirits from around the region. You'll also find the finest vodka-tasting ice room in North America here — the coldest bar on earth.

DAY 2

PERFECT YOUR SWING

Whistler is one of Canada's premier golf destinations, with four championship courses designed by legends of the game. Rated as Canada's #1 Golf Destination, Whistler's courses are a striking setting for outdoor group events, and our clubhouses are perfect places for your team to celebrate and unwind after a round of golf.

DISCOVER THE PEAK 2 PEAK EXPERIENCE

Connecting the high alpine terrain of Whistler and Blackcomb Mountains, the record-breaking PEAK 2 PEAK Gondola immerses you in a 360° airborne experience — the longest and highest unsupported span on earth. High in the coast mountains, access 50+ km of hiking trails and an ever-changing natural landscape.

DINE ON TOP OF THE WORLD

Located at 6,000 ft on Whistler Mountain, you'll find the Roundhouse Lodge. As the biggest restaurant in Whistler, this venue is set to inspire, no matter if your group is looking to enjoy a casual BBQ or a glamorous gala event.

DAY 3

NETWORK WITH NATURE

Keep an eye out for resident black bears and cubs roaming freely in their natural habitat from the comfort of a 4x4 vehicle. Spin your pedals and follow a network of paved trails on two wheels to glacier-fed lakes. Or, take a wander on foot through alpine meadows and old-growth forests, all part of Whistler's diverse offering of West Coast beauty.

PICNIC ON A GLACIER

Hop into a helicopter and head high into the Coast Mountains. Step into wild British Columbia, one of the most glaciated and mountainous regions in the world. Take in this remote location with a gourmet lunch for an experience your group will never forget.

A TASTE OF CULTURE

The Squamish Lil'wat Cultural Centre, the first of its kind in Canada, celebrates the cultures of the Skwxwú7mesh Úxwumixw and Lil'wat7ul nations. It's also an exceptional venue for corporate galas and other memorable events. Alternatively, discover the Audain Art Museum, which highlights the richness of Canada's cultural heritage, right in the heart of Whistler Village.

DAY 4

SOAR LIKE AN EAGLE

Fly through the forest canopy on a thrilling high-wire adventure over creeks and between old-growth trees. Host a canapé party and zipline from gourmet station to station. Bring your team together in Whistler's towering old-growth forests, a place where team-building and an appetite for fun come with the territory.

PADDLE WHISTLER'S WATERWAYS

Float down Whistler's famous River of Golden Dreams. Flanked by lush wetlands and wildflower-lined banks, this gentle journey by canoe or kayak is a fantastic opportunity for team-building and relaxation.

CELEBRATE UNDER THE STARS

Our secluded lakeside parks are unrivalled locations for special events. Take a black-tie gala dinner to the next level with a concert stage and fireworks launched from the heart of a glacier-fed lake. Or, keep it an indoor affair with the beautiful ballrooms of the Whistler Conference Centre.

DAY 5

FLOAT...IN A PLANE

If you thought Whistler was awe-inspiring from the ground, wait until you see it from the sky. When you leave Whistler, take off from a glacier-fed lake, and in just 45 minutes, your group will land softly in Downtown Vancouver.

URBAN EXPLORATION

From mountain peaks to city nightlife, a stop in Vancouver is a perfect end to your group's trip. Sample its truly global culinary scene or wander the cosmopolitan shops on Robson Street, and you'll quickly see why Vancouver is one of the world's most livable cities.
